

Supply List for 2020-21

All Personal items and classroom cleaning supplies will be asked for by the teacher, at a later date and throughout the school year. All art supplies should be in an individualized clear box or bag, labeled with name. This will limit the sharing of supplies in the classroom for sanitary reasons.

Notes from the Middle School Teachers:

- Any student who runs out of notebook pages during the school year must have a new one ready for the next class. Students are responsible for being prepared with the proper supplies

every day. PLEASE be prepared on the first day of school with all of your supplies so we can start the school year on a positive note.

- All books and supplies must be labeled with the student's name and grade.
- Textbooks must be covered at all times.
- Due to health concerns students will not be allowed to share supplies.
- Students will be responsible for storing their own supplies for art class.

Thank you for your support! Working together will help make the school year a success!
